## The Park is bursting with family fun this October half term!

Enjoy an afternoon of free activities by the Timber Lodge Café in the north of the Park on Wednesday 24 October from 11am – 3pm. With garden games, face painting, an arts and crafts area, live music performances and even small farmyard animals – simply turn up and enjoy!

Take this half term to new heights at the ArcelorMittal Orbit. Discover London's skyline with panoramic views of up to 20 miles, or for the adrenaline-seekers, take on the world's longest and tallest tunnel slide!

Slip and slide your way through a floating obstacle course in Ultimate or Extreme Aqua Splash at the London Aquatics Centre or join the Fit for Sport camp at the Copper Box Arena for a host of games and activities. Try out the taster sessions at Lee Valley VeloPark, with BMX, mountain, road and track cycling.

See how the professionals do it at Lee Valley VeloPark velodrome as the cyclists take to the track in Six Day London from 23 – 28 October or get courtside in the box that rocks as the London Lions basketball team take on Cheshire Phoenix on 24 October.

And don't forget the Park is also home to acres of parklands and playgrounds for you to explore. There are hours of fun to be had, with giant sand pits, slides, rope swings and more!
